Third Taxing District General Manager Jim Smith, Commission Chairman Charlie Yost, Commissioner David Brown, Commissioner Debora Goldstien, Treasurer Dr. Michael Intrieri and Assistant General Manager Ron Soofield pose in front of the Fitch Street substation plaque during the substation dedication Friday morning.

NORWALK -- Third Taxing District (TTD) Electric Department representatives, elected officials and local dignitaries dedicated the new Fitch Street Substation at 6 Fitch St. in East Norwalk on Friday morning. Officials say the roughly \$8-million project will bring customers improved reliability and savings. The Third Taxing District Electric Department is now connected directly to the transmission line whereas before its customers were dependent upon a feed from Connecticut Light & Power Co.
